

# COMMUNITY SCENARIO

## OUT OF THE FOG

The weather has turned leaving Blightun and Allied forces in shambles. On the eve of battle the Dartmoor fog has engulfed both armies twisting the front lines. With navigational equipment lost the forces are in disarray. As dawn rises, the fog clears, there is no time to regroup, the WAR begins!

### Summary:

This scenario simulates a very chaotic battle with no front-line. Each force is attempting to gain control of the strategic objectives so their forces can regroup in larger numbers. There is no dedicated territory. Deployment zones will change round by round meaning enemy forces can appear at your flank!

### Requirements:

The Rivet Wars: Eastern Front Box Set

### Special Rules:

- Due to foggy conditions there are no Secret Mission Cards
- *Choosing a Deployment Edge:*

At the beginning of each round Player 1 will Roll 2D6 and use the Deployment Edge marked on the Map.

First Die	Second Die	Resulting Edge
ODD	ODD	OO
ODD	EVEN	OE
EVEN	ODD	EO
EVEN	EVEN	EE

Player 2 will always deploy on the opposite edge during their Deployment Phase.

- Plugs must be selected at unit deployment

### Resources:

- Deployment Points:

To simulate the foggy conditions and disrupted supply lines, at the start of a player's deployment phase the player will roll a D6 to determine the number of Deployment Points they can use:

- 1,2,3: 4 Deployment Points
- 4,5,6: 6 Deployment Points

- Rivets: 1

### Victory Conditions:

A Strategic Objective is worth 1 VP. The first player to reach 15 VPs wins.
